Vocal Music

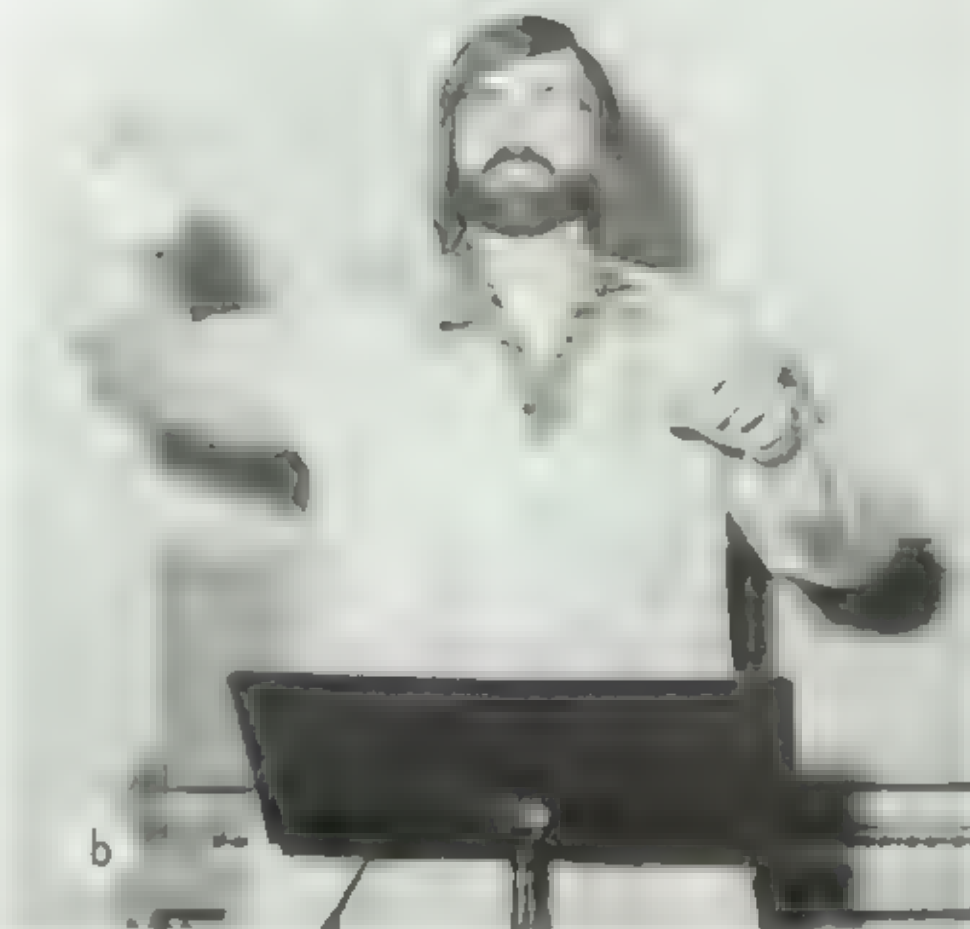

Good Music Brings Successful Year

The vocal music department has had a very busy, but successful year.

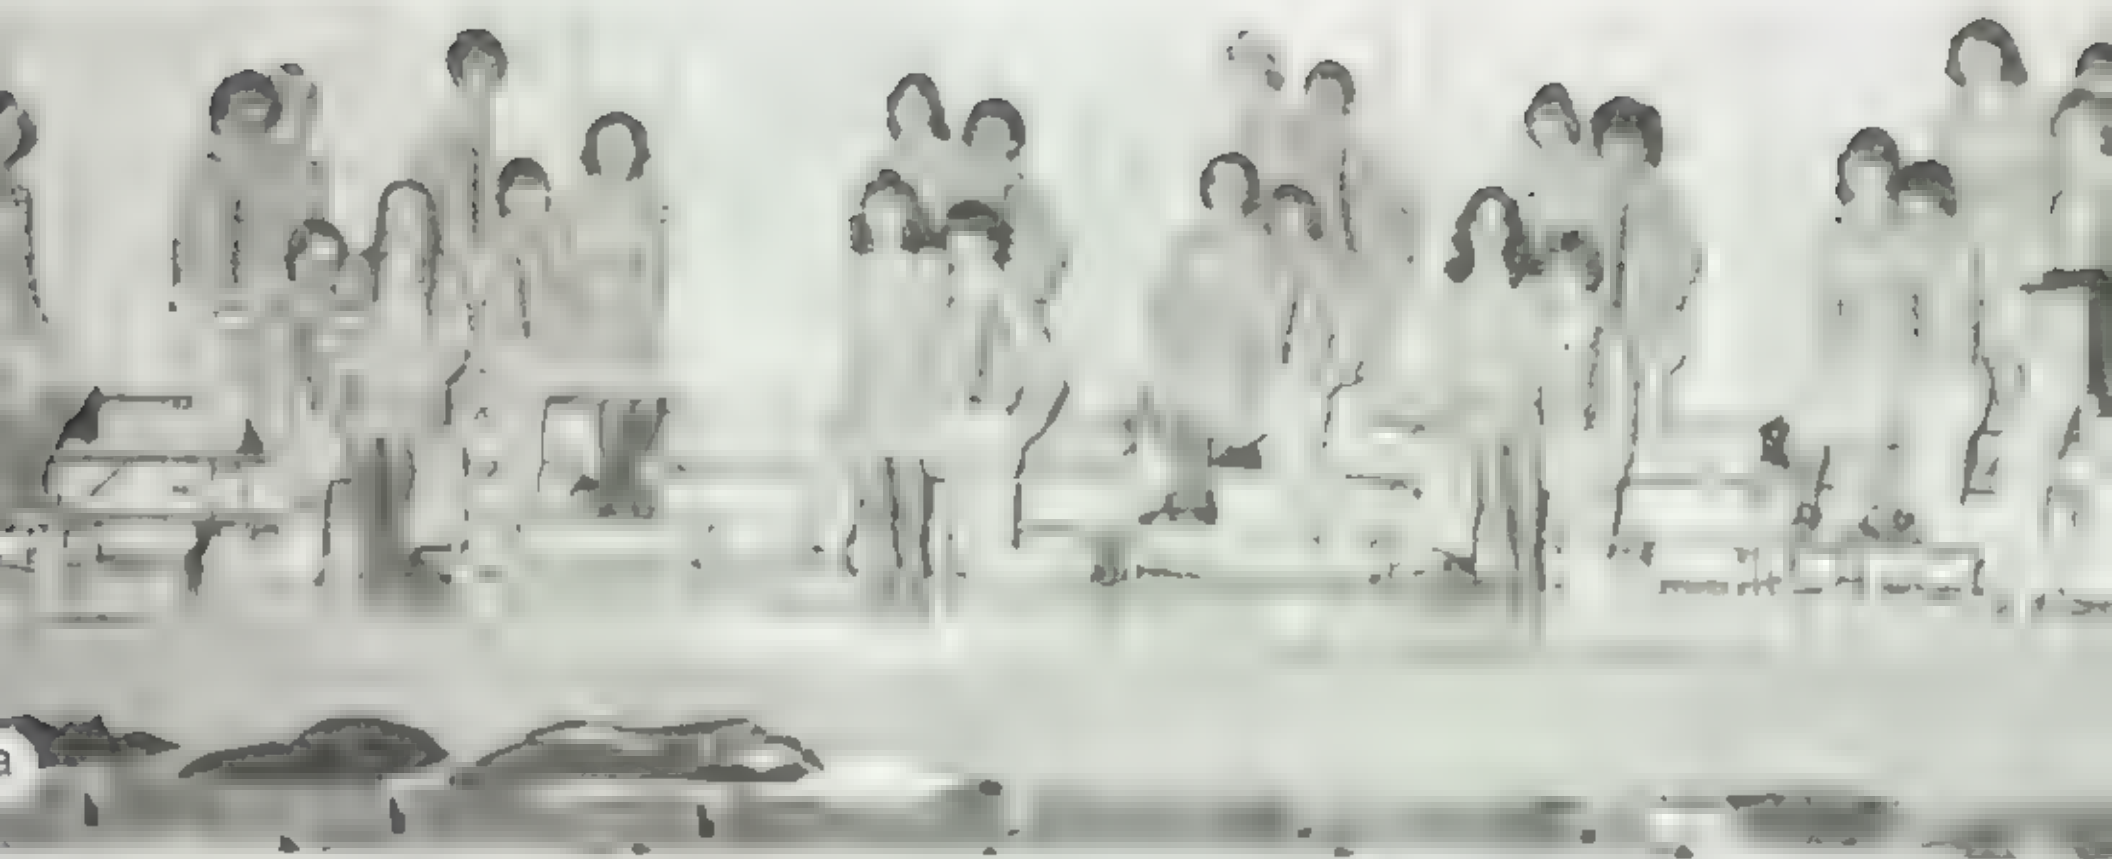

The students presented the musical *Oliver* in November. In December, the band and vocal departments combined to present a Christmas concert. The choir went on tour for two days in March. In April the choir competed in the State Music Festival at Dodge City and received three 1 ratings. A spring concert was presented in May by combining the band and vocal music departments. The choir also performed several numbers for Baccalariate and Graduation exercises.

The madrigal group was also a very active part of the music department. They performed for various area groups and activities throughout the year.

Merlin, the son, prefers books and band to team sports. The father does not see the importance of these endeavors. The mother spends her time making peace between the father and the son.

Student Council

STUCO Functions Questioned

During the past year, the student council at WCHS had many objectives to fulfill, but often these goals were never reached.

Among the activities sponsored by the STUCO were the two sports crownings, a Christmas tree for the lobby, and a faculty and student basketball game.

The student council also held an election of the 1978-79 officers in late spring. Terry Lee moved up to president. Mary Moyer was elected vice-president; Renee Biel, treasurer; and Bev Luebbers, secretary.

Student Action For Education

Activities Include Teaching

Forty-five students joined Student Action for Education Club this year. Many were motivated by a trip to a college campus.

Under the direction of Linda Ventsam, club president, members planned a student teacher day in the fall. Nearly half the club members substituted for the usual class instructors. Feedback indicated that the project was a success.

In April, club members toured the Fort Hays State University campus. Students were impressed by the radio and TV facilities, the museum, the library and the sports complex.

To close the year, club members held a cookout in the park. An impromptu water fight involved students and sponsors.

Lettering Determines Membership

To be a member of the W-Club at WCHS, the individual must have participated in a varsity sport and have played a specified number of minutes or quarters or have scored points in regularly scheduled sports competitions.

A small number of students qualify for the Jerry Hooker Outstanding Athlete of the Year Award by participating in three of the major sports during all four years of high school. This year three seniors — Bertis Kreutzer, Paul Tasker and Paul Homan — qualified. Paul Tasker and Paul Homan were named co-recipients of this award.

The W-Club also sponsored the All-School Awards Banquet along with the Lions Club and Rotary Club.

Juniors

Juniors Move To Senior Ranks

Juniors at WCHS moved up to the "top position" as seniors left the halls a week early. The members of the junior class vied for this vaunted position for most of the year.

The class worked cooperatively to put on an exceptionally well organized prom and banquet entitled "Stairway to Heaven."

The juniors as individuals excelled in all areas of activities at WCHS including sports, drama, the academic, music and forensics.

Sophs Shed Inhibitions

Members of the sophomore class at Wichita County High School showed their independence, as they tried to establish a unique image for themselves.

Class members immediately let it be known that they were no longer freshmen.

Several sophs excelled in the areas of sports, music, drama and forensics.

Sophomores capped the year by ordering their class rings. The rings have a "shamrock" colored stone.

Frosh Find Niche

The freshmen at WCHS, often maligned and tormented, adjusted well to their role and entered into the many activities.

The freshmen successfully competed in cross-country, basketball, debate, football, track, dramatics, and forensics.

By the end of the year, the freshmen had found their niche at WCHS.

Track Season Very Successful

This year the boys' and girls' track teams were combined under the direction of Mr. Leroy Dutton.

The Varsity Boys' placed in the top three teams at all the meets they entered. They had depth throughout all the events, which enabled them to place so well.

The girls' team, though small in numbers, placed well at many meets. Every member on the team scored at least one point at one of the meets the team entered.

The combined efforts of both teams produced two State contenders. Paul Homan qualified for the State Track Meet in the 100 yard dash and the 220 yard dash, and finished 5th in both. Janet Wilson participated in both the State Indoor and State Outdoor Track Meets, placing 2nd in the mile run at both meets and 6th in the half mile at State Indoor.

1978 TRACK COACHES: (L-R) Mr. Tom Kearney, Assistant Coach; Mr. Leroy Dutton, Head Coach; Mr. Mark Chipman, Assistant Coach.

FRESHMEN TRACK TEAM: BACK ROW (L-R) Russel Geyer, Trent St. John, Jay Krenzel, Shad Mehl, Steve Ventsam, Scott Mastel, Joe Guerra, Mike Dutton. FRONT ROW (L-R) Robert LeDou, Chip Thompson, Steve Rapier, Robert DeLeon, Kent Kreutzer, Paco Camancho, Gary Notestine, Tracy Schumacher.

VARSITY GIRLS' TEAM: BACK ROW (L-R) Janet Wilson, Lori Baker, Shawn Whitham, Courtney Green, Sally Carrasco. FRONT ROW (L-R) Lynette Varvel, Lori Long, Karen Scheffe, Dawn Haverfield.
